Notice of Religious Freedom

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, _____, one of the People (as seen in the Utah State Declaration of Rights, Article 1 Section 1) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

Utah Constitution – Preamble

“Grateful to Almighty God for life and liberty, we, the people of Utah, in order to secure and perpetuate the principles of free government, do ordain and establish this CONSTITUTION.”

Please Take Notice: From the inception of the State of Utah, Almighty God was acknowledged. The People’s right to practice religion, in its various forms, was established from that point to the present;

Utah Constitution – Declaration of Rights Article 1, Section 1: Inherent and inalienable rights;

“All persons have the inherent and inalienable right to enjoy and defend their lives and liberties; to acquire, possess and protect property; to worship according to the dictates of their consciences; to assemble peaceably, protest against wrongs, and petition for redress of grievances; to communicate freely their thoughts and opinions, being responsible for the abuse of that right.”

Please Take Notice: In relation to the rights of one of the People of the State of Utah, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. Black’s Law 5th Ed.

Please Take Further Notice: Within the Utah State Constitution, there are no provisions for removal of this very first noted basic right of “We, the People;”

Utah Constitution – Declaration of Rights Article 1, Section 15: Freedom of speech and of the press – Libel;

“No law shall be passed to abridge or restrain the freedom of speech or of the press. In all criminal prosecutions for libel the truth may be given in evidence to the jury; and if it shall appear to the jury that the matter charged as libelous is true, and was published with good motives, and for justifiable ends, the party shall be acquitted; and the jury shall have the right to determine the law and the fact.”

Please Take Notice: Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

Utah Constitution – Declaration of Rights Article 1, Section 4: Religious Liberty;

“The rights of conscience shall never be infringed. The State shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; no religious test shall be required as a qualification for any office of public trust or for any vote at any election; nor shall any person be incompetent as a witness or juror on account of religious belief or the absence thereof. There shall be no union of Church and State, nor shall any church dominate the State or interfere with its functions. No public money or property shall be appropriated for or applied to any religious worship, exercise or instruction, or for the support of any ecclesiastical establishment.”

Please Take Notice: No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

Please Take Notice: The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

Please Take Notice: No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

Utah Constitution – Declaration of Rights Article 1, Section 14: Unreasonable searches forbidden -- Issuance of warrant;

“The right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures shall not be violated; and no warrant shall issue but upon probable cause supported by oath or affirmation, particularly describing the place to be searched, and the person or thing to be seized.”

Utah Constitution – Declaration of Rights Article 1, Section 10: Trial by Jury;

“In capital cases the right of trial by jury shall remain inviolate. In capital cases the jury shall consist of twelve persons, and in all other felony cases, the jury shall consist of no fewer than eight persons. In other cases, the Legislature shall establish the number of jurors by statute, but in no event shall a jury consist of fewer than four persons. In criminal cases the verdict shall be unanimous. In civil cases three-fourths of the jurors may find a verdict. A jury in civil cases shall be waived unless demanded.”

Please Take Notice: No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

Utah Constitution – Declaration of Rights Article 1, Section 23: Irrevocable franchises forbidden;

“No law shall be passed granting irrevocably any franchise, privilege or immunity.”

Please Take Notice: In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

Please Take Notice: All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The Utah Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
