Notice of Religious Freedom

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, _____, one of the People (as seen in the South Dakota State Bill of Rights, Article 6 Section 1) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

South Dakota Preamble -

“We, the people of South Dakota, grateful to Almighty God for our civil and religious liberties, in order to form a more perfect and independent government, establish justice, insure tranquility, provide for the common defense, promote the general welfare and preserve to ourselves and to our posterity the blessings of liberty, do ordain and establish this Constitution for the state of South Dakota.”

Please Take Notice: From the inception of the State of South Dakota, Almighty God was acknowledged. The People’s right to practice religion, in its various forms, was established from that point to the present;

South Dakota Constitution – Bill of Rights Article 6, Section 1: Inherent Rights;

“All men are born equally free and independent, and have certain inherent rights, among which are those of enjoying and defending life and liberty, of acquiring and protecting property and the pursuit of happiness. To secure these rights governments are instituted among men, deriving their just powers from the consent of the governed.”

Please Take Notice: In relation to the rights of one of the People of the State of South Dakota, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. Black’s Law 5th Ed.

Please Take Further Notice: Within the South Dakota State Constitution, there are no provisions for removal of this very first noted basic right of “We, the People;”

South Dakota Constitution – Bill of Rights Article 6 Section 5: Freedom of Speech--Truth as Defense--Jury Trial;

“Every person may freely speak, write and publish on all subjects, being responsible for the abuse of that right. In all trials for libel, both civil and criminal, the truth, when published with good motives and for justifiable ends, shall be a sufficient defense. The jury shall have the right to determine the fact and the law under the direction of the court.”

Please Take Notice: Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

South Dakota Constitution – Bill of Rights Article 6, Section 3: Freedom of Religion--Support of Religion Prohibited;

“The right to worship God according to the dictates of conscience shall never be infringed. No person shall be denied any civil or political right, privilege or position on account of his religious opinions; but the liberty of conscience hereby secured shall not be so construed as to excuse licentiousness, the invasion of the rights of others, or justify practices inconsistent with the peace or safety of the state. No person shall be compelled to attend or support any ministry or place of worship against his consent nor shall any preference be given by law to any religious establishment or mode of worship. No money or property of the state shall be given or appropriated for the benefit of any sectarian or religious society or institution.”

Please Take Notice: No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

Please Take Notice: The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

Please Take Notice: No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

South Dakota Constitution – Bill of Rights Article 6 Section 11: Search and Seizure;

“The right of the people to be secure in their persons, houses, papers and effects, against unreasonable searches and seizures shall not be violated, and no warrant shall issue but upon probable cause supported by affidavit, particularly describing the place to be searched and the person or thing to be seized.”

South Dakota Constitution – Bill of Rights Article 6 Section 6: Jury Trial--Reduced Jury--Three-Fourths Vote;

“The right of trial by jury shall remain inviolate and shall extend to all cases at law without regard to the amount in controversy, but the Legislature may provide for a jury of less than twelve in any court not a court of record and for the decision of civil cases by three-fourths of the jury in any court.”
(Highlight Added for Emphasis)

Please Take Notice: No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

South Dakota Constitution – Bill of Rights Article 6 Section 18: Equal Privileges or Immunities;

“No law shall be passed granting to any citizen, class of citizens or corporation, privileges or immunities which upon the same terms shall not equally belong to all citizens or corporations.”

Please Take Notice: In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

Please Take Notice: All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The South Dakota Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
