I, \_\_\_\_\_, one of the People (as seen in the **North Dakota State Bill of Rights, Article 1 Section 1**) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

**North Dakota Preamble** - We, the people of North Dakota, grateful to Almighty God for the blessings of civil and religious liberty, do ordain and establish this constitution.

**Please Take Notice:** From the inception of the State of **North Dakota**, Almighty God was acknowledged. The People's right to practice religion, in its various forms, was established from that point to the present;

#### **North Dakota Constitution - Declaration of Rights Article 1 Section 2:**

All political power is inherent in the people. Government is instituted for the protection, security and benefit of the people, and they have a right to alter or reform the same whenever the public good may require.

**Please Take Notice:** In relation to the rights of one of the People of the State of **North Dakota** or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. **Please Take Further Notice:** Within the **North Dakota** State Constitution, there are no provisions for removal of this very first noted basic right of "We, the People;"

**North Dakota Constitution - Declaration of Rights Article 1 Section 4:** Every man may freely write, speak and publish his opinions on all subjects, being responsible for the abuse of that privilege. In

all civil and criminal trials for libel the truth may be given in evidence, and shall be a sufficient defense when the matter is published with good motives and for justifiable ends; and the jury shall have the same power of giving a general verdict as in other cases; and in all indictments or informations for libels the jury shall have the right to determine the law and the facts under the direction of the court as in other cases.

**Please Take Notice:** Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

**North Dakota Constitution - Declaration of Rights Article 1 Section 3:** The free exercise and enjoyment of religious profession and worship, without discrimination or preference shall be forever guaranteed in this state, and no person shall be rendered incompetent to be a witness or juror on account of his opinion on matters of religious belief; but the liberty of conscience hereby secured shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this state.

**Please Take Notice:** No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

**North Dakota Constitution - Declaration of Rights Article 1 Section 3:** The free exercise and enjoyment of religious profession and worship, without discrimination or preference shall be forever guaranteed in this state, and no person shall be rendered incompetent to be a witness or juror on account of his opinion on matters of religious belief; **but the liberty of conscience** hereby secured shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this state.

**Please Take Notice:** The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

**Please Take Notice:** No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

**North Dakota Constitution - Declaration of Rights Article 1 Section 8:** The right of the people to be secure in their persons, houses, papers and effects, against unreasonable searches and seizures shall not be violated; and no warrant shall issue but upon probable cause, supported by oath or affirmation, particularly describing the place to be searched and the persons and things to be seized.

**North Dakota Constitution - Declaration of Rights Article 1 Section 9:** All courts shall be open, and every man for any injury done him in his lands, goods, person or reputation shall have remedy by due process of law, and right and justice administered without sale, denial or delay. Suits may be brought against the state in such manner, in such courts, and in such cases, as the legislative assembly may, by law, direct.

**Please Take Notice:** No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

**North Dakota Constitution - Declaration of Rights Article 1 Section 21:**

No special privileges or immunities shall ever be granted which may not be altered, revoked or repealed by the legislative assembly; nor shall any citizen or class of citizens be granted privileges or immunities which upon the same terms shall not be granted to all citizens.

**Please Take Notice:** In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

**Please Take Notice:** All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The **North Dakota** Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
