Notice of Religious Freedom

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, _____, one of the People (as seen in the Wisconsin State Declaration of Rights, Article 1 Section 1) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

Wisconsin Preamble - "We, the people of Wisconsin, grateful to Almighty God for our freedom, in order to secure its blessings, form a more perfect government, insure domestic tranquility and promote the general welfare, do establish this constitution."

Please Take Notice: From the inception of the State of Wisconsin, Almighty God was acknowledged. The People's right to practice religion, in its various forms, was established from that point to the present;

Wisconsin Constitution – Declaration of Rights: Article 1, Section 1: Equality; Inherent Rights;

"All people are born equally free and independent, and have certain inherent rights; among these are life, liberty and the pursuit of happiness; to secure these rights, governments are instituted, deriving their just powers from the consent of the governed."

(Highlight Added for Emphasis)

Please Take Notice: In relation to the rights of one of the People of the State of Wisconsin, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. Black's Law 5th Ed.

Please Take Further Notice: Within the Wisconsin State Constitution, there are no provisions for removal of this very first noted basic right of "We, the People;"

Wisconsin Constitution – Declaration of Rights Article 1, Section 3: Free Speech; Libel;

"Every person may freely speak, write and publish his sentiments on all subjects, being responsible for the abuse of that right, and no laws shall be passed to restrain or abridge the liberty of speech or of the press. In all criminal prosecutions or indictments for libel, the truth may be given in evidence, and if it appears to the jury that the matter charged as libelous be true, and was published with good motives and for justifiable ends, the party shall be acquitted; and the jury shall have the right to determine the law and fact."

Please Take Notice: Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

Wisconsin Constitution – Declaration of Rights Article 1, Section 18: Freedom of Worship; Liberty of Conscience; State Religion; Public Funds;

"The right of every person to worship Almighty God according to the dictates of conscience shall never be infringed; nor shall any person be compelled to attend, erect or support any place of worship, or to maintain any ministry, without consent; nor shall any control of, or interference with, the rights of conscience be permitted, or any preference be given by law to any religious establishments or modes of worship; nor shall any money be drawn from the treasury for the benefit of religious societies, or religious or theological seminaries."

Please Take Notice: No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

Wisconsin Constitution – Declaration of Rights Article 1, Section 19: Religious Tests Prohibited;

“No religious tests shall ever be required as a qualification for any office of public trust under the state, and no person shall be rendered incompetent to give evidence in any court of law or equity in consequence of his opinions on the subject of religion.”

Please Take Notice: The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

Please Take Notice: No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

Wisconsin Constitution – Declaration of Rights Article 1, Section 11: Searches and Seizures;

“The right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated; and no warrant shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched and the persons or things to be seized.”

Wisconsin Constitution – Declaration of Rights Article 1, Section 7: Rights of Accused;

“In all criminal prosecutions the accused shall enjoy the right to be heard by himself and counsel; to demand the nature and cause of the accusation against him; to meet the witnesses face to face; to have compulsory process to compel the attendance of witnesses in his behalf-, and in prosecutions by indictment, or information, **to a speedy public trial by an impartial jury of the county or district wherein the offense shall have been committed; which county or district shall have been previously ascertained by law.**” (Highlight Added for Emphasis)

Please Take Notice: No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

Please Take Notice: In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

Please Take Notice: All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The Wisconsin Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
