Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, _____, one of the People (as seen in the **Nebraska State Bill of Rights, Article 1 Section 1**) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

Nebraska Preamble - We, the people, grateful to Almighty God for our freedom, do ordain and establish the following declaration of rights and frame of government, as the Constitution of the State of Nebraska.

Please Take Notice: From the inception of the State of **Nebraska** Almighty God was acknowledged. The People's right to practice religion, in its various forms, was established from that point to the present;

Nebraska Constitution - Bill of Rights Article 1 Section 1: Statement of Rights

All persons are by nature free and independent, and have certain inherent and inalienable rights; among these are life, liberty, the pursuit of happiness, and the right to keep and bear arms for security or defense of self, family, home, and others, and for lawful common defense, hunting, recreational use, and all other lawful purposes, and such rights shall not be denied or infringed by the state or any subdivision thereof. To secure these rights, and the protection of property, governments are instituted among people, deriving their just powers from the consent of the governed.

Please Take Notice: In relation to the rights of one of the People of the State of **Nebraska**, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. Black's Law 5th Ed.

Please Take Further Notice: Within the **Nebraska** State Constitution, there are no provisions for removal of this very first noted basic right of "We, the People;"

Nebraska Constitution - Bill of Rights Article 1 Section 5: Freedom of Speech and Press

Every person may freely speak, write and publish on all subjects, being responsible for the abuse of that liberty; and in all trials for libel, both civil and criminal, the truth when published with good motives, and for justifiable ends, shall be a sufficient defense.

Please Take Notice: Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

Nebraska Constitution - Bill of Rights Article 1 Section 4: Religious Freedom

All persons have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences. No person shall be compelled to attend, erect or support any place of worship against his consent, and no preference shall be given by law to any religious society, nor shall any interference with the rights of conscience be permitted. No religious test shall be required as a qualification for office, nor shall any person be incompetent to be a witness on account of his religious beliefs; but nothing herein shall be construed to dispense with oaths and affirmations. Religion, morality, and knowledge, however, being essential to good government, it shall be the duty of the Legislature to pass suitable laws to protect every religious denomination in the peaceable enjoyment of its own mode of public worship, and to encourage schools and the means of instruction.

Please Take Notice: No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

Religion, morality, and knowledge, however, being essential to good government, it shall be the duty of the Legislature to pass suitable laws **to protect every religious denomination in the peaceable enjoyment** of its own mode of public worship, and to encourage schools and the means of instruction.

Please Take Notice: The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

Please Take Notice: No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

Nebraska Constitution - Bill of Rights Article 1 Section 7: Search and Seizure

The right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated; and no warrant shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the person or thing to be seized.

Nebraska Constitution - Bill of Rights Article 1 Section 13: Justice Administered without Delay; Legislature; Authorization to Enforce Mediation and Arbitration

All courts shall be open, and every person, for any injury done him or her in his or her lands, goods, person, or reputation, shall have a remedy by due course of law and justice administered without denial or delay, except that the Legislature may provide for the enforcement of mediation, binding arbitration agreements, and other forms of dispute resolution which are entered into voluntarily and which are not revocable other than upon such grounds as exist at law or in equity for the revocation of any contract.

Please Take Notice: No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

Nebraska Constitution - Bill of Rights Article 1 Section 16: Bill of Attainder; Retroactive Laws; Contracts; Special Privileges

No bill of attainder, ex post facto law, or law impairing the obligation of contracts, or making any irrevocable grant of special privileges or immunities shall be passed.

Please Take Notice: In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

Please Take Notice: All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The **Nebraska** Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
