### **Notice of Religious Freedom**

#### **Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent**

I, \_\_\_\_\_, one of the People (as seen in the Tennessee State Bill of Rights, Article 1 Section 1) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

**Please Take Notice:** From the inception of the State of Tennessee, Almighty God was acknowledged. The People's right to practice religion, in its various forms, was established from that point to the present;

**Please Take Notice:** In relation to the rights of one of the People of the State of Tennessee, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. **"That the printing press shall be free to every person to examine the proceedings of the Legislature; or of any branch or officer of the government, and no law shall ever be made to restrain the right thereof. The free communication of thoughts and opinions, is one of the invaluable rights of man and every citizen may freely speak, write, and print on any subject, being responsible for the abuse of that liberty. But in prosecutions for the publication of papers investigating the official conduct of officers, or men in public capacity, the truth thereof may be given in evidence; and in all indictments for libel, the jury shall have a right to determine the law and the facts, under the direction of the court, as in other criminal cases."**

**Please Take Notice:** Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

**Please Take Notice:** No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

#### **Tennessee Constitution – Declaration of Rights Article 1, Section 3;**

**"That all men have a natural and indefeasible right to worship Almighty God according to the dictates of their own conscience; that no man can of right be compelled to attend, erect, or support any place of worship, or to maintain any minister against his consent; that no human authority can, in any case whatever, control or interfere with the rights of conscience; and that no preference shall ever be given, by law, to any religious establishment or mode of worship."**

**Please Take Notice:** The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that **nowhere in any of the 50 Republican States does the government have power over the people.**

**Please Take Notice:** No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

**Tennessee Constitution – Declaration of Rights Article 1, Section 7;**

“That the people shall be secure in their persons, houses, papers and possessions, from unreasonable searches and seizures; and that general warrants, whereby an officer may be commanded to search suspected places, without evidence of the fact committed, or to seize any person or persons not named, whose offences are not particularly described and supported by evidence, are dangerous to liberty and ought not be granted.”

**Tennessee Constitution – Declaration of Rights Article 1, Section 8;**

“That no man shall be taken or imprisoned, or disseized of his freehold, liberties or privileges, or outlawed, or exiled, **or in any manner destroyed or deprived of his life, liberty or property, but by the judgment of his peers, or the law of the land.**”

“The right to a speedy trial or disposition and a prompt and final conclusion of the case after the conviction or sentence.”

**Please Take Notice:** No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

**Please Take Notice:** In the case of agencies, departments, **all associations, and all state elected government agents, as well as any licensed corporation within the state,** it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

**Please Take Notice:** All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The Tennessee Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
