I, \_\_\_\_\_, one of the People (as seen in the **Kansas State Bill of Rights, Kansas Constitution Section 2**) am giving you this notice that you and your agents may provide due care and carefully act to cease and desist from all interference with the rights of the People;

**Kansas Preamble** - We, the people of Kansas, grateful to Almighty God for our civil and religious privileges, in order to insure the full enjoyment of our rights as American citizens, do ordain and establish this constitution of the state of Kansas, with the following boundaries, to wit: Beginning at a point on the western boundary of the state of Missouri, where the thirty-seventh parallel of north latitude crosses the same; thence running west on said parallel to the twenty-fifth meridian of longitude west from Washington; thence north on said meridian to the fortieth parallel of north latitude; thence east on said parallel to the western boundary of the state of Missouri; thence south with the western boundary of said state to the place of beginning.

#### **Kansas Constitution – Bill of Rights Section 2: Political Power; Privileges**

**All political power is inherent in the people,** and all free governments are founded on their authority, and are instituted for their equal protection and benefit. No special privileges or immunities shall ever be granted by the legislature, which may not be altered, revoked or repealed by the same body; and this power shall be exercised by no other tribunal or agency.

**Please Take Notice:** In relation to the rights of one of the People of the State of **Kansas**, or any other of the 50 states, **inalienable** means rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. The liberty of the press shall be inviolate; and all persons may freely speak, write or publish their sentiments on all subjects, being responsible for the abuse of such rights; and in all civil or criminal actions for libel, the truth may be given in evidence to the jury, and if it shall appear that the alleged libelous matter was published for justifiable ends, the accused party shall be acquitted.

**Please Take Notice:** Each individual of We, the People, may independently choose how, when, where, and to what extent they will worship ALMIGHTY GOD. This includes, but is not limited to, what each one of the People allows to be done physically, mentally, morally, and/or spiritually. It also includes what may be done to anyone under the authority of We, the People, including our children;

#### **Kansas Constitution – Bill of Rights Section 7: Religious Liberty**

**The right to worship God according to the dictates of conscience** shall never be infringed; nor shall any person be compelled to attend or support any form of worship; nor shall any control of or interference with the rights of conscience be permitted, nor any preference be given by law to any religious establishment or mode of worship. No religious test or property qualification shall be required for any office of public trust, nor for any vote at any elections, nor shall any person be incompetent to testify on account of religious belief.

**Please Take Notice:** No legislative entity or agency may impinge on the decisions of conscience made by one of the People about themselves or those under their authority, their children;

**Kansas Constitution – Bill of Rights Section 7: Religious Liberty;**

The right to worship God according to the dictates of conscience shall never be infringed; nor shall any person be compelled to attend or support any form of worship; nor shall any control of or interference with the rights of conscience be permitted, nor any preference be given by law to any religious establishment or mode of worship. No religious test or property qualification shall be required for any office of public trust, nor for any vote at any elections, nor shall any person be incompetent to testify on account of religious belief.

**Please Take Notice:** The forefathers considered all elected positions and agents of those elected to be servants, trustees, agents, substitute of we the People and that in no way higher than a special class that is greater than the People. Please take further notice that nowhere in any of the 50 Republican States does the government have power over the people.

**Please Take Notice:** No entity, agency, division, or subdivision may seize any property, papers, effects, or people without proper due process of law. The People must remain secure from all infringement, including the security of the children of the People;

**Kansas Constitution – Bill of Rights Section 15: Search and Seizure**

The right of the people to be secure in their persons and property against unreasonable searches and seizures shall be inviolate; and no warrant shall issue but on probable cause, supported by oath or affirmation, particularly describing the place to be searched and the persons or property to be seized.

All persons, for injuries suffered in person, reputation or property, shall have remedy by due course of law, and justice administered without delay.

**Please Take Notice:** No legislative entity, agency or subdivision may, at any time, grant to one group privileges, not granted to all of the People equally. No law shall be enacted granted to any man or woman, citizen, class of citizens, or corporation other than municipal, privileges or immunities, which, upon the same terms, shall not equally belong to all people, citizens or corporations. This may be seen to include those who have decided to receive, or not receive, particular procedures for themselves or their children;

**Kansas Constitution – Bill of Rights Section 2: Political Power; Privileges**

All political power is inherent in the people, and all free governments are founded on their authority, and are instituted for their equal protection and benefit. No special privileges or immunities shall ever be granted by the legislature, which may not be altered, revoked or repealed by the same body; and this power shall be exercised by no other tribunal or agency.

**Please Take Notice:** In the case of agencies, departments, all associations, and all state elected government agents, as well as any licensed corporation within the state, it will have committed maladministration, and therefore violation of the State Constitution, if that agency department, district, board, association, elected agent or anyone employed by that agent, or state administration as well as those in public corporations, attempt to implement any restrictions of any variety, or any involuntary requirements on any of the men or women, of We, the People;

**Please Take Notice:** All attempts to impose control over the conscience of the People regarding choices each one makes for his or herself or children, must immediately cease. The Kansas Constitution is clear that these choices of conscience are inalienable privileges as one of the People;

It is my will to resolve these issues in a peaceable and cooperative manner so as to avoid any unnecessary disturbance. I thank you for your immediate action to establish order, to redress my significant concerns, and rectify all abuses of our State Constitution. Please understand that it is your responsibility to distribute this notice to all applicable members. I come to you peaceably trusting your actions will also reflect good intentions and honorable behavior.
